REUNION**

32 Great Reasons...

The Light on the Hill Society Scholarship serves as a tribute to Carolina's earliest African-American graduates and as a vehicle for alumni and friends to support African-American first-year students who exhibit academic excellence and the potential to contribute while at Carolina and after graduation.

While the scholarship has made tremendous gains over the last few years, your continued support is needed to ensure the perpetuity of the fund. By making annual gifts, you can share your success with Carolina's future African-American students. Make a gift today, see page 17.

Visit alumni.unc.edu/loth for more information or contact Tanea Pettis '95 at loth@unc.edu or (919) 843-9694.

Welcome

Whenever I return to campus, or even to Chapel Hill, I get a special feeling inside. It's like the comfort derived from an old blanket or your favorite pair of jeans. There may be other places that generate a similar feeling, but none quite like this one. It's a feeling that I try to explain to my kids, but can't quite articulate for their understanding – at least not yet. It's my sincere hope that they will one day get to feel the affinity for this University that I do.

It is with this spirit of warmth and affection that I welcome you to BAR 2013. The reunion planning committee has worked industriously over the last year with a keen focus on your enjoyment and satisfaction. We are confident that we have hit the mark with this year's schedule of events. You will likely notice a bit more "swagger" associated with the event lineup this year. That is certainly by design, and we anticipate that you will be pleased. Some of the highlights include expanded VIP seating at the social functions, a larger football block, a celebrity DJ on Saturday night and the return of the Cultural Extravaganza.

While I am extremely proud of the reunion planning committee members and the GAA staff for their foresight and diligence, this endeavor would be inconsequential without your attendance and support. On behalf of the reunion planning committee and GAA staff, please accept our sincere thanks for sharing Carolina Homecoming weekend with us.

We wish you God's speed and safe travels and trust you will enjoy the reunion weekend.

Go Heels!

Game Day Information

Black Alumni Reunion Shuttle Information for Saturday, Nov. 9, 2013

The BAR shuttle will run from the Sheraton Chapel Hill and the American Legion to campus. Shuttle service will run continuously throughout the tailgate party and the football game. The shuttle will pick up from the Sheraton Chapel Hill for guests of the hotel. Only hotel guests will be able to park at the hotel during the football game. Hotel guests will receive a parking pass when they check in.

For all others, parking will be available at the American Legion (at no additional cost). The shuttle will also pick up from this location. The American Legion is located about a quarter of a mile behind the Sheraton Chapel Hill. Take Europa Drive past the Sheraton Chapel Hill. When you come to the stop sign, you will see the American Legion across the street, slightly to your right (1714 Legion Road, Chapel Hill, NC 27517). The BAR shuttle will run for approximately one hour (60 minutes) after the end of the football game.

Game Day Parking Options

There is no game-day parking on or near Kenan Stadium. Below are parking options:

Tar Heel Express (Roundtrip \$5, One way \$3)

- On home football days, Chapel Hill Transit operates special shuttles from Park & Ride lots located throughout Chapel Hill and Carrboro. All game day Tar Heel Express buses drop off and pick up on campus along South Road in front of Carmichael Arena and Woollen Gym. This is a recommended and viable option to driving to campus in the traffic and looking for a legitimate public parking space.

Public parking on campus is limited. Park & Ride locations include:

- Jones Ferry Road near University Lake
- Friday Center Park and Ride off NC 54
- University Mall next to Dillard's
- Southern Village off US 15 and US 501

Service from the NC Highway 54 Friday Center Park & Ride Lot next to the Friday Center and from the parking lot next to Dillard's at University Mall, begins three hours prior to game time so that fans may enjoy the festivities at Tar Heel Town, which typically is open to the public beginning 2.5 hours prior to game time until one hour prior to game time.

The Friday Center and Dillard's Lot Tar Heel Express buses drop off and pick up on campus along South Road in front of Woollen Gym (near the stadium). Service begins 1.5 hours before game time from Jones Ferry Road off NC 54 West in Carrboro and the Southern Village Park & Ride lot located on 15-501 south of town. Tar Heel Express buses from these locations will drop-off and pick-up at South Road on the UNC campus.

Return trips from South Road begin immediately after the game and continue for approximately 45 minutes (more or less depending on the crowd at the shuttle stop).

General public parking is available in the following lots for \$10:

- Cameron-Graham Lot has approximately 100 spaces (across from UNC's Cogeneration Plant and one block from Crook's Corner and two blocks from the Carolina Inn).
- South Chiller Lot has approximately 35-40 spaces (across from the Dogwood Deck off Mason Farm Road and Columbia Street)
- PD- Cardinal Deck (approximately 1,400 spaces)
- Manning Lot (approximately 300 spaces – 200 reserved for Rams Club this season)
- Jackson Deck next to Dogwood Deck (500 spaces)
- RV parking will be available at the Friday Center Park & Ride Lot off of NC Highway 54. Travel to campus is available via the Tar Heel Express, which services this lot.

Game Day Information

Disability Game Day Parking (\$10)

Specific parking spaces are set aside for game day/night disability parking. Patrons with state (any state) disability permits or plates may park in these spaces at the general public parking fee. Patrons without a state issued disability permit or plate may arrange for a special event disability-parking permit by contacting the UNC Department of Public Safety at least 72 hours in advance at (919) 962-3951.

Kenan Stadium Policies

Will Call is located at the East End Zone of Kenan Stadium and will open on game days three (3) hours prior to kickoff. Customer must present photo ID.

- Alcoholic beverages are prohibited at Kenan Stadium. Individuals violating this policy will be issued the appropriate citation and escorted out of the stadium.
- ATMs are located in Kenan Stadium behind Sections 114 and 117 on the west end concourse as well as near Gate 6 on the South Side and near Gate 2 on the North Side.
- Seating for patrons with disabilities is available on game day by asking for the game supervisory as you enter Kenan Stadium.
- South Orange Rescue Squad provides first aid at Gates 2 (North Side) and Gate 6 (South Side) at Kenan Stadium.
- Patrons are not allowed to bring any food or beverages with them into Kenan Stadium. You will be asked to finish the items before entering, throw them out or return them to your car. However, bottled water (sealed and unopened) is permitted.
- Parents/guardians with a lost child should contact the nearest police officer or event staff member. That person will then contact the proper personnel to insure the quickest resolution to the situation.
- Prohibited items: alcoholic beverages, artificial noise makers (horns, bells, vuvuzelas, whistles, etc.), baby seats, backpacks (or any large bags), balloons, beach balls, coolers/containers, duffle bags, explosives, fireworks, folding chairs, food/beverages, illegal drugs, laser pointers, pets (except service animals assisting those with disabilities) strollers (non-collapsible), umbrellas and or weapons of any kind, including those carried with a permit.

- Patrons may not leave the stadium and re-enter on their ticket stub.

Golden Rams Society

Induction into any honorary society indicates that an individual has attained a high degree of accomplishment. It is with a debt of gratitude, admiration and love that the 2013 Black Alumni Reunion Planning Committee inducts these members of the class of 1963 into the Golden Rams Society.

Created in 2007, this honorary society was established to honor African-American alumni celebrating their 50th class anniversary. We stand in awe of each of our Golden Rams for their courage, imagination and resolve to enter an unfamiliar world, compete and excel during the earliest years of integration at Carolina.

It is because of their patience, strength and commitment to academic excellence that we are all members of the Carolina family. On behalf of Carolina's more than 20,000 African-American alumni, the Black Alumni Reunion congratulates the newest members of the Golden Rams Society:

Light on the Hill Society Scholarship

The Light on the Hill Society Scholarship effort began during the 2005 Black Alumni Reunion. Organizers challenged alumni to initially contribute \$1,952 each – representing the 1952 class year of Harvey E. Beech, UNC’s first black graduate – and become founding members of the scholarship fund.

Since 2005, Carolina alumni and friends have annually made tax-deductible gifts to the fund, ranging from a few dollars to several thousand, and the largest being a \$250,000 gift from NFL star Julius Peppers ‘02 on Aug. 18, 2012. This was the second major gift received from Peppers. In 2009, he made his first gift of \$100,000 to the scholarship fund which created the Light on the Hill Society Peppers scholarship.

The Light on the Hill Society Scholarship serves as a tribute to Carolina’s earliest African-American graduates and as a vehicle for alumni and friends to support African-American first-year students who exhibit academic excellence and the potential to contribute while at Carolina and after graduation. The scholarship is administered by the Light on the Hill Society Board of Directors and supported by the UNC General Alumni Association. To date, the program has awarded 31 scholarships: 26 Light on the Hill Society Scholars and six Julius Peppers scholars.

Upon hearing that I had been awarded the Light on the Hill Society Peppers Scholarship, I was immediately

filled with pride and gratitude. It is truly an honor to be recognized as a promising African-American first-year student here at Carolina and I am committed to upholding the values of the Light on the Hill Society including academic excellence, leadership and service. Not only will this award help me to achieve my goals, both academically

and personally, but it will help other bright and talented African-American students have the means to achieve theirs as well.

By providing under-represented minorities the opportunity to pursue an affordable education, UNC is succeeding in its effort to attract a diverse and gifted student body. I want to thank you for being a part of that effort and most of all I am grateful for the generosity of Mr. Julius Peppers and the rest of the society’s donors.

Jordon M. Peterkin ‘17, Peppers Scholar

Whenever people hear the word diversity, more often than not, their mind immediately jumps to the presumption of

race or ethnicity. To many, diversity is only skin deep. This neglects the rich mixture of people that can even be found within ones own cultural group. With that said, I would like to personally thank each donor and staff member responsible for the Light on the Hill Society for recognizing that different type of diversity: diversity of thought. By

being the liaison for exceptional African-Americans, the society not only rewards student achievement, but will also allow me to meet other striving young adults with a conglomeration of backgrounds, unique personalities, and life experiences.

More than anything, I would like to thank each and every one of you for this amazing honor, opportunity, and for seeing enough potential in me to invest both in my education and future. It’s hard to concisely express my sincere appreciation for this prospect, but there truly are not enough words to show how thankful I am to have been chosen by the Light on the Hill Society for this scholarship as I pursue a higher education.

Sierra J. Atwater '17, LOTH Scholar

Thank you so much for your generous donations to the Light on the Hill Society Scholarship. It has always been

my dream to earn a degree at the University of North Carolina. Because of this fund, African-American students like me are able to take an active role in their academic career and to further their education, a tool that will ultimately help them change the world. The title of "Light on the Hill Society scholar" sends a message of importance; it shows that there

are people out there that are invested in your personal success. By granting this honor to African-American students, a message is sent that they are crucial to a thriving learning environment at Carolina, thus attracting the best and brightest African-American students to the university. Thank you Light on the Hill Society donors for providing support and caring about the future success of African-American students at Carolina.

Christopher W. Miller '17, LOTH Scholar

I am writing this letter to thank you for the opportunity to allow me to be a Light on the Hill Society Scholar. I

am honored to be a recipient of this prestigious award. Since financial aid played a significant role in my college decisions, I am thankful for the opportunity to receive this scholarship. This award brings together some of the best and brightest African-American students entering Carolina; students who exemplify outstanding leadership

with a commitment to success and who strive to preserve the legacy of Carolina's earliest African-American graduates through academic and extracurricular excellence. I greatly appreciate your generous donation to the program and your strong commitment to furthering the advancement of knowledge and supporting outstanding African-American students.

Elizabeth A. Neal '17, LOTH Scholar

The Light on the Hill Scholarship is not only an award but an amazing opportunity. In today's society, the cost

of attending college is high but this scholarship shows that the cost of a true education is priceless. Knowing that the Light on the Hill Society has provided and continues to provide these awards to Carolina students provides me with encouragement to contribute to the Carolina community and beyond. As an African-American student, the opportunity to further

my education with support of the Light on the Hill Society is truly gratifying. The opportunities of the Light on the Hill Scholarship are attracting the nation's strongest African-American students, students who will become not only leaders in the Carolina community but leaders in the African-American community as a whole. I give my sincerest thanks to the selection committee for selecting me to receive this amazing opportunity and I am grateful to know that the support I will receive will transcend beyond my educational career at Carolina as I hope to give that same support to all Light on the Hill Scholars.

Alexis C. Williams '17, LOTH Scholar

To all of the donors to the Light on the Hill Society, I would like to say thank you for allowing me and

other African-American students the opportunity to receive this scholarship. This scholarship is an investment into my future at Carolina. It will relieve the amount of debt that I would have upon graduation. The scholarship support for the Light on the Hill Society has a tremendous impact on the University's ability to attract some of the nation's best and brightest African-American students.

The scholarship is encouraging to African-American students. It lets them know there is money out there, at the big universities such as Carolina that is specifically for them. LOTH does a great job of attracting high caliber students to Carolina. Thank you for selecting me as a 2013 Light on the Hill Society Scholar.

Black Alumni Reunion History

The first African-American student enrolled at UNC in 1951. Since then, many African-Americans have matriculated and graduated from UNC. In 1980, because of a desire to reunite UNC's black alumni, Angela Bryant '73 and the late Richard

Epps '73 organized the first Black Alumni Reunion (BAR). Approximately 65 people participated in the inaugural reunion, supported by the General Alumni Association.

Unaware that there was an "official" black alumni reunion, Johnnie "Tick Moss" Southerland '81 organized an informal, single night reunion party. Most of the alumni who participated had graduated in the late '70 and early '80. Southerland's efforts continued, drawing more alumni each year. The parties were held in apartment complex clubhouses in Chapel Hill, with funds provided by donations taken at the door.

In early 1988, Southerland and Michael Moseley '74 combined their resources and organized a committee to plan a formal black alumni reunion. Later in 1988, a group of about 60 black alumni convened for a strategic planning session to decide how to structure an improved BAR. As a result, the Black Alumni Reunion committee was created. The BAR mission is to bring together all black alumni for a weekend of fun, enrichment and fellowship. In 1989, BAR evolved from an informally structured event to a formal one. Efforts to reunite black alumni nationwide were launched, and the working relationship with the General Alumni Association was formed. The GAA began providing staff assistance, and once again, provided financial support.

1989 was also historical for other reasons. Harvey Elliott Beech '52, the University's first black graduate, and Karen Parker '65, the first black female graduate, attended. Because of the rough and bitter experiences these and many other black alumni suffered, it required a special effort from them to attend a UNC reunion. Many black alumni who graduated in the "early years" had vowed never to return to UNC's campus for any reason. However, after attending that 1989 reunion, the healing process began for some of them. Richard Epps '73, the first black student body president; Rosalind Fuse-Hall '81, the first black in Dialectic-Philanthropic Society, the oldest student organization on campus; and Sherrod Banks '85 also attended the 1989 reunion. That year, the first Harvey Elliott Beech Distinguished Alumni Award was given. Beech was its recipient.

A year later, the BAR committee began awarding the Outstanding Faculty Award. Dr. Sonja H. Stone, for whom the UNC Center for Black Culture and History was named, was the first recipient. Also in 1990, a minority scholarship honoring Harvey Beech was established. Officials in the Office for Minority Affairs manage this award.

In 1989, BAR had an average of 194 participants and seemed to be growing. However, the 1991 reunion was canceled due to low registration.

The committee continued to enhance the reunion and in 1992 developed a career networking booklet, which contained information on various topics, including careers, mentoring and internships. In 1993, the book was made available to all juniors and seniors through a cooperative effort with the GAA.

In 1995, BAR encountered many firsts. Chancellor Michael Hooker '69 spoke at the Sunday breakfast. The breakfast itself was a first in terms of the attendance, a record 125. Having both Harvey Beech and Edith Hubbard '66 was definitely an added plus, and having more than 600 people participated in various reunion activities was a big first!

During BAR 1996, the reunion continued to expand, hosting more than 350 registered participants. The first annual Partner Lunch gave more than 25 students and alumni an opportunity to meet and share information about careers and personal experiences at UNC. The Sunday breakfast set a new record of 200 participants and a roundtable was added to the Friday afternoon agenda to discuss issues and concerns surrounding the Sonja Haynes Stone Center for Black Culture and History.

BAR 1997 reached an all-time high with more than 450 registered participants. Additional programs were added to the weekend. They included a first-ever golftournament with nearly 40 participants as well as a Friday late night social with nearly 200 participants. BAR moved into full force with Dr. Trudier Harris' enrichment program, sponsored by the GAA. The activities that year reached record participation across the board.

BAR 1998 once again broke the all-time high record, with more than 460 registered participants and also added a basketball game option to the weekend. We had the pleasure of having Benjamin Ruffin '76 (MSW), then UNC System Board of Governors chair, as our breakfast speaker.

BAR 1999 exploded as the Sheraton Chapel Hill served as the host hotel. Participants were excited to

actually stay in Chapel Hill. More than 730 registered participants attended the reunion, shuttle service between the game and hotel was provided, and the tailgate party moved to Tar Heel Town. Significant membership discounts were given, and 70 alumni joined the GAA. Henry Frye '59 (JD), then North Carolina Supreme Court chief justice, was the breakfast speaker.

BAR 2000 was unbelievable. From 1997 to 2000, the number of registered participants more than doubled with more than 1,000 participants, and the reunion became a not-to-be missed event. In addition to the annual enrichment program and Partner Lunch, the reunion enjoyed the benefit of collaboration with campus partners, including our newest collaboration with the National Pan-Hellenic Council (NPHC). The Cultural Extravaganza made its leap from the Great Hall to Carmichael Auditorium with more than 2,000 participants for what was known as the Homecoming Extravaganza. The Vintage Time reception was one of the newest social additions. There was another increase in GAA membership among black alumni. The football block had more than 600 participants, and every seat at the awards brunch was filled. What a fantastic way to start a new millennium of BAR.

BAR 2001 continued to have strong presence and support. The reunion was once again successful with many traditional favorites and a couple of new happenings. The number of golfers who join us for the BAR outing grows each year. This reunion marked the 33rd anniversary of Project Uplift, and the Uplift Cultural Show was recreated. An additional event was added to the Friday night offerings – the Friday Late Night Hip-Hop Style. We took alumni behind the scenes to answer questions about admissions and started recruiting future Tar Heels with a new experience for kids – Tar Heel Kids Camp.

The 2002 BAR had an historic first: it hosted the first black-tie gala celebrating the achievements of African-Americans at the University. The event drew a diverse group of University leaders, including Chancellor James Moeser, state and local officials, and alumni from the '50s to 2001. The celebration was even more special because it was a collaborative effort between the General Alumni Association, the Office of the Provost, the Office of Minority Affairs, the Sonja Haynes Stone Center for Black Culture and History, the Office for Student Academic Counseling, Campus Y and 17 alumni volunteers.

The highlight of the evening was the premier showing of the "UNC Pathfinders" video. Spearheaded by Archie Ervin '99 (PhD) and the Office of Minority Affairs, this video gave a detailed account of

African-Americans on campus – their struggles and accomplishments. From custodians to professors, from the first African-Americans admitted to the University to the first black student body president, from athletes to politicians, this video chronicled the struggles and triumphs of African-Americans at UNC. The images and information in the video were so powerful that the audience gave it a standing ovation.

BAR 2003 marked another exciting year. As anticipation built for the opening of the Sonja Hayes Stone Center for Black Culture and History, hard-hat tours of the building were offered during the weekend. The Stone Center was also highlighted in a short video during the awards dinner. A networking social was added, and an additional collaborative partner was secured for the annual Partner Lunch. Tar Heel Kids Camp more than doubled in size, with 50 kids attending during the weekend. Kids attending the Saturday night camp receive a special treat: Professor Chuck Stone stopped by to autograph and read his book, *Squizzly the Black Squirrel*.

For several years, alumni have dreamed and brainstormed about a scholarship program that would support the University in its mission to recruit and retain the nation's best and brightest African-American students. During BAR 2004, the Light on the Hill Society Scholarship board of directors was created: Richard "Stick" Williams '75 (Chair), Elbert Avery '82, Rita Brackeen '80, Terrence Burroughs '82, Carl Carey '00 (PhD), Roz Fuse-Hall '80, Archie Ervin '99 (PhD), Ernest Goodson '76, Robyn Hadley '85, Kelvin Harris '82, Kraig Holt '82, Randy Jones '79, Pam Love '83, Joy Paige '85, Pam Parker '90, Camille Z. Roddy '87, Janet Southerland '82 and ex officio members/GAA staff Tanea Pettis '95 and Anita Walton '92. The board developed a fundraising and marketing plan to inform alumni and friends about the creation of the scholarship. This effort was spearheaded by the research of Robyn Hadley '85.

BAR 2005 represented a milestone in the history of the reunion. We celebrated 25 years of dedication, commitment and accomplishments of BAR at Carolina. It was once said by Anatole France that "to accomplish great things, we must not only act, but also dream; not only plan, but also believe."

Under the leadership of Dr. Janet H. Southerland '82, BAR celebrated its 25th anniversary with a weeklong schedule of events for alumni, current students and teens from the community and across the state. Two special programs were created for the anniversary celebration: a program for African-American young men (ages 13-18) sponsored by Julius Peppers '02 of the Carolina Panthers and an on-campus college

visitation program with students from the NC GEARUP program. The Light on the Hill Society Scholarship also became a reality. In collaboration with the General Alumni Association, the Black Alumni Reunion planning committee established this scholarship to continue the rich legacy of African-American students at Carolina by supporting the effort to recruit, retain and graduate the nation's best and brightest African-American students.

BAR 2006 continued the tradition of reconnecting and reflecting with late night socials, a tailgate party, a 400-plus football game block and Tar Heel Kids Camp. In addition to those great traditions, the Light on the Hill Society Founding member campaign kicked off with great success. Alumni were asked to pledge \$1,952 to become the initial donors of the Light on the Hill Society. Given a year to complete their pledge, nearly 100 alumni and friends supported this initiative. Chaired by Robyn S. Hadley '85, the weekend was scaled back to its more traditional three-day celebration to focus on refining key events that alumni and their families had come to enjoy, plus shaping a plan to create the Light on the Hill Society Scholarship operational structure. With the addition of Camille Roddy '87, a professional fundraiser and event planner to the committee, the reunion attracted substantial corporate support from Rolls Royce, Walmart, Jet Blue, GlaxoSmithKline, Pernod Ricard USA, Bank of America, Ernst & Young, Progress Energy, Blue Cross Blue Shield of NC and Southern Wine & Spirits.

The planning committee and the GAA lent their support to fundraising efforts with a goal of naming the first Light on the Hill Society Scholars during the 2007 reunion. During the banquet, Richard "Stick" Williams '75 and Sam Perkins '84 led the charge to alumni and friends to make gifts to the scholarship and conveyed the symbolic importance of the scholarship as one of many contributions African-American alumni were still making to the University and the state of North Carolina. Over a 12-month period, nearly 100 alumni and friends donated a minimum of \$1,952 each to become founding members of the Light on the Hill Society. The scholarship also received a \$10,000 gift from an anonymous donor.

Planning for BAR 2007 began immediately at the conclusion of the 2006. With a vision to build upon the reunion's solid foundation and to take the reunion to a new level, the committee embraced the theme: Honoring Our Past, Strengthening our Presence, Cultivating our Future: Celebrating Who We Are. This resonated with the creation of two entities: the Black Pioneers and the BAR Golden Rams Society.

Under the chairmanship of Karen Parker '65, the first African-American female to receive a degree from Carolina, the Black Pioneers organized to represent African-American alumni between 1952 and 1970.

Wade Chestnut '65 represented the Pioneers on the planning committee and oversaw the implementation of the Black Pioneer Dinner and hospitality during the greater BAR weekend. To commemorate this historic gathering, he also served as editor for the revised Yackety Yack (Legacy of Firsts), which documents stories written by these early graduates. As a few Pioneers were beginning to celebrate their 50th graduation anniversary, the planning committee established the BAR Golden Rams Society to permanently recognize and honor the academic and career achievements of all African-American Tar Heels. The first inductees to attend the inaugural ceremony were Romallus Murphy '56, George Green '57 and Dan Lanier '57. Other alumni who graduated prior to '56 were inducted posthumously. The ceremony took place during the Light on the Hill Society Scholarship Awards Banquet, when Katherine Demby '11 and Allyson Diggins '11 also became the first Light on the Hill Society Scholars.

To engage BAR participants in financially supporting the Light on the Hill Scholarship, a program was executed to implement milestone reunion giving. The classes of '77, '87 and '97, celebrating their 10th, 20th and 30th reunions respectively, jointly hosted the Friday night Celebration of Classes. Finally, a Sunday morning worship service was added under the direction of Carolyn Malloy '77 and Jackie Lucas '77.

The financial success of BAR 2007 through corporate sponsorships allowed more programming and record-breaking attendance for a third consecutive year. With a planning committee of nearly 40 graduates spanning five decades of alumni, the BAR committee consisted of 16 committees that executed more than 18 events in two days. BAR 2007 will forever be remembered as a pivotal moment of growth and development that united the entire BAR family with activity offering something for all African-American Tar Heels.

BAR 2008 continued to see record numbers under the leadership of Walter L. Faison Jr. '82. Approximately 1,400 alumni and friends returned to Chapel Hill and participated in at least one BAR event. Those in attendance were able to rekindle old acquaintances, visit Franklin Street, the Old Well, the Bell Tower and take in a basketball and football game. One of the goals of this year's committee was to increase student involvement throughout the BAR weekend. The committee met that goal and expectations were truly

exceeded! Four outstanding first-year students were honored as our 2008 LOTH scholars: Christa Carter '12, Jaimee Daniels '12, Alya Elsayed-Ali '12 and Chelsea Merritt '12.

Courtney Knowling '09 received the honor of being named the Harvey E. Beech Outstanding Senior.

Members of the Black Student Movement were recognized during the Black Pioneers dinner, when alumni in attendance gathered informally and collected more than \$1,000 for the BSM's spring break project.

More than 70 members of the UNC Gospel Choir performed during the Sunday morning Inspirational Service.

The 2008 Black Alumni Reunion was another truly amazing success!

BAR 2009 continued the tradition of "Celebrating Who We Are" by hosting a wide variety of events for Homecoming weekend under the direction of Stacie Hewett '89, 2009 BAR chair. For the second year, we began the weekend with a golf tournament at the beautiful Washington Duke Inn & Golf Club. It was an especially appropriate location since we were scheduled to play our arch rivals, the Duke Blue Devils, for the big game. Undergraduate students had the opportunity to hear a presentation on networking and meet other alumni at the Partner Lunch held at the Alumni Center. In collaboration with Diversity and Multicultural Affairs, BAR held a new event - the Carolina Diversity Experience - for alumni children in grades 10-12. Participants enjoyed activities such as a campus tour, admissions information session and the Homecoming Step Show. In addition to the various BAR events scheduled, alumni were also able to attend volleyball and basketball games, and visit the "We Shall Not Be Moved" exhibit at the Wilson Library.

The Sheraton Imperial was the host hotel and location for the premier Light on the Hill Society Scholarship Awards Banquet. During the banquet, many alumni were celebrated and honored for their various accomplishments. In addition to honoring four Harvey Beech Outstanding Alumni, an outstanding senior and a UNC staff member, five first-year students received LOTH scholarships. Five alumni celebrating their 50th anniversary were inducted into the BAR Golden Rams Society.

- Anthony W. Cummings '84, Harry L. Jones Sr. '72, Michael D. Kennedy '79 and Charles "Chuck" Watts '77 received the Beech Outstanding Alumni award.

- The first LOTH Julius Peppers Scholarship was awarded to Brian Harris. This award was made possible by the generous donation of \$100,000 to support African-American students. Julius Peppers is a former UNC football player.
- Matthew D. Biggers '13, Kaneesha S. Henderson '13, Chelsea M. Jones '13 and Chanel D. Porter '13 were selected as 2009 LOTH scholars.
- Krista D. Stepney '10 was selected as the Beech Outstanding Senior.
- Dr. Melissa Exum, dean of students was selected as the Outstanding Faculty/Staff Award recipient.
- Ella Bernardine Booker '59 (MED), Junius Butler Francis '59 (MED), Henry Ell Frye '59 (JD), Harriett Nunn Haith '59 (MED) and Ella Simmons Tomlinson '59 (MED) were inducted as Golden Rams during the LOTH banquet. This honor is bestowed to African-American alumni celebrating the 50th anniversary of their graduation from Carolina.

The banquet recognitions also included a video presentation and tribute to celebrate the life of the beloved Hayden Bentley Renwick '66. Dean Renwick, lovingly known as "Benny," passed away unexpectedly in September 2009. He served the UNC community for 18 years and was loved by the many students and alumni whose lives he touched during his time in the Office of Undergraduate Admissions and the College of Arts and Sciences.

In addition to the banquet, the evening provided several opportunities for alumni to reconnect while enjoying good food, good music and fellowship. The Vintage Times event (formerly Seasoned Tar Heel Reception) went back to its original roots as a "house party" and was held at a private residence in Chapel Hill. Alumni celebrating milestone anniversaries enjoyed old school music at the Ultimate Throwback Party held in the hotel. The First Friday Black Affair (Hip-Hop party) provided entertainment for younger alumni at Champps Americana restaurant at The Streets at Southpoint mall. Children of alumni attending the reunion were able to enjoy Carolina as participants in the Tar Heel Kids and Teen camps. BAR was able to provide something for everyone.

While Friday was fun-filled, Saturday was no exception. The morning hours provided various options to see and learn more about Carolina history. In honor of 40 years in print, a "Black Ink" exhibit

was held in Wilson Library. Professor Tim McMillan '80, led the Black and Blue Tour, taking participants on a walking tour of historic landmarks on Carolina's campus while discussing the racial history and memories related to those familiar attractions. Family and friends gathered in the Student Union for the dedication of the Hardy Williams Lactation Room in honor of Maleikka Hardy Williams '94. She was a former Miss UNC, Miss BSM and president of the Carolina Union Activities Board who lost her battle with breast cancer in 2009.

Approximately 700 alumni gathered at the Bell Tower for a traditional Southern tailgate party filled with barbecue, old friends and 'Beat Duke' buttons. The crowd moved on to Kenan Stadium to Turn it Blue and watch the Tar Heels defeat Duke 19 to 6.

On Saturday evening, the Black Pioneers (African-American alumni from the classes of 1952-70) held a banquet to celebrate their time at UNC, honor some of their own, and get an update from current students on the current issues on campus. During the banquet, Black Pioneers gave memorial tributes for two Pioneers. Participants heard additional remarks in honor of Hayden Renwick, as well as Rebecca Sellars Clark who passed in January 2009. Ms. Clark was the first licensed practical nurse at the UNC Student Infirmary and a labor advocate at the university. She appeared in the BAR Pathfinders video and shared remarks at the 2007 and 2008 Black Pioneers banquets. The current BSM president and Black Ink editor gave presentations during the program. The current student NAACP vice president presented information regarding a project that would document the stories of Black Pioneers and preserve that history.

By popular demand, the Alumni Party provided good music as well as casino games and prizes. The weekend ended with a great inspirational service. The speaker was a former campus minister, with gospel music provided by the current UNC Gospel Choir as well as an alumni ensemble of former BSM Gospel Choir and UNC Gospel Choir members.

Despite the difficult economic climate, we were fortunate to have corporate and alumni sponsors that made it possible to plan such a large variety of activities. BAR 2009 was a great success and had great attendance. We continued to celebrate our Carolina history with old friends while making new memories. What a great way to spend time in Blue Heaven. From exclusion in the 1800s through integration in 1951, to acceptance, togetherness and the creation of the Light on the Hill Society Scholarship, Carolina has made great strides. Because of the continuous dedication

of reunion volunteers, the GAA and Carolina alumni and friends, BAR continues to serve as one of the primary ways in which African-American alumni remain involved, informed and connected to our great University.

Thirty Years of BAR saw the addition of many new events, such as An Evening with Marion Jones '97 - a talk and book-signing with former UNC track and basketball star; The Kickoff - an alumni mixer with The Leverage Band from Durham, NC; Fences presented by Playmakers Repertory Company and Zumba Fitness with Courtney Moore Legins '00. New community service events during the reunion included, a toiletry drive to benefit Freedom House and the Be the Match bone marrow registry drive. Participation for the community service events was astounding.

The following Harvey Beech Outstanding Alumni awards were presented during the LOTH Scholarship Awards Banquet:

- Outstanding Alumni: Rochelle Riley, '81, Alfred "Al" White '76, Phail Wynn Jr., '89 (MBA) and Michael L. Zollicoffer '85 (MD)
- Outstanding Faculty/Staff: Terri C. Houston
- Outstanding Senior: Christen B'anca Glenn '11
- LOTH Peppers Scholar: Keia Faison '14
- LOTH Scholars: Jared F. Giles '14, Ceewin N. Louder '14, Brandon D. Neely '15 and Vashti N. Robinson '14

The commitment and diligence of the planning committee, increase in participation, enthusiasm of alumni and guests, increase in corporate sponsorships and the addition of reunion events ensured an unbelievably successful 2010 Black Alumni Reunion.

BAR continues to grow each year and BAR 2011 was no exception. BAR exceeded its previous numbers of participation with 1466 reunion participants. We had several sold out events including the Chapel Thrill Day Party, the Tailgate Party Our signature events include The Light on the Hill Scholarship Banquet, the Black Pioneers dinner with keynote speaker Mel Watt '67 were a huge success.

BAR opened for the second year with registration on Thursday night and with the Student Alumni Dinner held in the Alumni Center. Janora McDuffie'99 was the keynote speaker and greatly appealed to current students and alumni with 167 attendees. The Thursday

night celebration continued at the Sheraton Chapel Hill hotel for the Alumni mixer, music provided by alumnus Brian Dickerson '00.

Each committee went above and beyond to ensure they provided alumni with a stellar event and fantastic memories. The Social Committee revamped and went all out with the planning of each party to include new branding of each event. This year a concerted effort was made to market to young alumni to increase their participation in the weekend events. The Social Committee with their creative twist launched the newest social activity, called the Chapel Thrill Day Party held at the Top of the Hill on Franklin Street. Another new event was the collaboration between BAR and Blue Swagger, an alumni group of former football players. This event took place on Friday night at the Sheraton Chapel Hill. Our Friday night Young Alumni event, The Blackout, was yet again successful. The party continued on Saturday night with the annual Alumni Dance, the Grand Finale and it was an amazing experience with new decorations to liven up the event.

The following Harvey Beech awards were presented during the LOTH Scholarship Awards Banquet:

- Outstanding Alumni: Martina K. Ballen '80, William W. Farmer '77, Howard N. Lee '66 (MSW), Barbara Pullen Smith '81

Overall, BAR 2011 was an amazing experience as chair. I am very proud to have worked with an exceptional group of individuals who love CAROLINA with all of their heart. I believe our love for Carolina was felt in each activity that was planned.

The BAR 2012 weekend began on Thursday with registration at the Sheraton Chapel Hill. Many participants arrived on Thursday to attend the Student Alumni Dinner at the Alumni Center. There were record numbers of students in attendance and the Black Pioneers served again as table hosts. Students and alumni were inspired throughout the evening and the speaker, Bomani Jones '05 (MS), was well received

by all. The Outstanding Senior Award was presented to Alexis Monet Davis '13 during dinner. The Social Indulgence Mixer at Shula's provided a time for great networking, free cocktails, and music.

The festivities continued on Friday with the return of the Day Party which included the National Panhellenic Council Alumni Greek Stroll-Off competition, won by the ladies of Zeta Phi Beta Sorority, Inc. The people, food, and music provided a great atmosphere.

The Light on the Hill Society Scholarship Awards Banquet proved to be as inspiring as in past years. The BAR committee decided to add categories to the Harvey E. Beech Outstanding Alumni Awards:

Black Alumni Reunion History

The Tailgate kicked off bright and early under a Carolina Blue sky and alumni, family, and friends gathered to enjoy excellent food and great memories before the football game. After the game and other activities, some attended the very inspirational Black Pioneers Dinner and later partied and socialized at the beautifully decorated Alumni Party. Others enjoyed the Vintage Times Party which included two comedians. This was a bonus addition and was enjoyed by many who came out to support BAR.

On Sunday morning, we continued the tradition of the Inspirational Service and concluded a wonderful and eventful weekend with the first Gospel Brunch. The Gospel Brunch celebrated the 45th anniversary of the Black Student Movement. Reflections from past and present BSM presidents during the Brunch were heartwarming and well received by everyone in attendance.

Overall, BAR 2012 was a success and continues to increase alumni participation. With an awesome planning committee, it was my honor to be a part of the GAA's largest and oldest affinity reunion; a reunion that annually provides a memorable weekend for everyone who continues to support this traditional Carolina Homecoming event.

Some Legal Issues Have Hidden Traps

If you are a small business owner, you should know that you face legal risks everyday. Some legal issues are in plain view, others are hidden. Certain kinds of risk are found in the contracts business owners sign for services they need.

We believe that our clients should not be put at a disadvantage. Business owners should fully understand their legal risks and avoid the traps in commercial deals. To this end, we review each contract carefully for unexpected risks.

Helping business owners manage contracts is our business. If you would like to stay clear of dangers, give us a call. We will help you avoid the traps.

MIGHTY PSI DELTA CHAPTER OF OMEGA PSI PHI FRATERNITY INC.

Celebrating Forty Years of Psi Delta

The Psi Delta Chapter of Omega Psi Phi Fraternity, Inc. was founded at the University of North Carolina on Feb. 16, 1973 by Bro. Herbert Davis and Bro. Paul Woods (Omega Chapter), with the assistance of Bro. John Scott.

The chapter initiated nine brothers on its charter line. Psi Delta was the first black Greek organization chartered on the campus of The University of North Carolina at Chapel Hill.

This is a testament to the vision and determination of Bro. Davis and Bro. Woods. Since then, we have initiated 191 brothers into our fold.

Help us find the best and brightest minds from all backgrounds. Then, encourage them to create a MyCarolina page at admissions.unc.edu/mycarolina.

My favorite Carolina memory ...

My favorite memories is freshmen week and all the new life-long friends that I met. It was like I never left home.

My Carolina Story ...

The Carolina Tar Heels welcomed me into their family from the very first day I arrived on campus. I was employed at Lenoir Dining Hall during orientation. I worked a week before school started as a cashier in the main dining hall. I met tons of staff and students. I never once felt out of place, that's why I always come back to visit at homecoming(a place I love to call "home") to meet up with old and new faces and see the changes coming about at UNC-Chapel Hill.

During the past 25 years I have ...

During the past 25 years, I have diligently worked hard to educate and encourage children to strive to be the very best they can and make a difference in the world today. I have watched my fellow Tar Heels make a difference in today's society. In 25 years, I am still proud to be a "Tar Heel!"

Brettia A Egerton

Major: Business Administration

Hometown while at Carolina: Durham, NC

Current Residence: Atlanta, GA

My favorite Carolina memory ...

Being a Sweet Caroline and enjoying the home football games and during summer school learning how to play spades on the weekends in Granville Towers.

My Carolina Story ...

I made lifetime friends while at Carolina and thanks to Facebook I was able to reconnect with many of them. Campus life was awesome and classes were challenging. Sometimes I felt like I was only known by my SSN in those huge lecture halls, but finding a study buddy made the overwhelming experience much more tolerable. In the spring of 1987 I pledged Delta Sigma Theta Sorority, Inc. with nine other smart and impressive girls and today I am proud to still have those nine now phenomenal women as the sisters I never had growing up.

During the past 25 years I have ...

I have worked in government, non-profit and public companies. For the past 15 years, I have worked in the telecommunications industry, most recently at AT&T. While working for BellSouth I earned a MBA from Clark Atlanta University. I also hold the CIA and CFE designations. I had the opportunity to work in South America and have enjoyed traveling to Europe and Africa for vacations. My biggest challenge during the past 25 years was beating cancer.

Lynne Fuller-Andrews

Major: Industrial Relations and Economics

Hometown while at Carolina: Fayetteville, NC

Current Residence: Winston-Salem, NC

Spouse or Partner: Al Andrews

Number of Children: 1

During the past 25 years I have ...

done my best to enjoy life to the fullest extent possible. Following graduation, I attended UNC School of Law and graduated in 1991. I have spent the past twenty-two years practicing law throughout North Carolina and am presently employed by Hanesbrands Inc. as Vice-President and Deputy General Counsel. In 2000, I married Al Andrews who I had meet over 10 years earlier while in law school. Al was two years ahead of me and we never dated at the time but when we reconnected, it was love at first sight (well, sort of)! In 2002, we had our only son, Evan, who is the light of our lives and our pride and joy. Al is Deputy City Attorney for the City of Winston-Salem and Evan is a 5th grader at Summit School. Life has been good and for that, I'm thankful!

My favorite Carolina memory ...

There are too many memories to narrow it to just one. Generally, Carolina sports is always top of mind. I remember parties at Great Hall, Greek step shows and all-night study sessions with friends. My four years at UNC are etched as some of the best years of my life.

My Carolina Story ...

I entered Carolina as a smart but naive teenager. My experiences in and out of the classroom taught me self reliance and discipline. The atmosphere allowed me to question, challenge the status quo, muster new ideas and bravely present alternatives. My story is one that is still vibrant in my life today. Every time I don my grey Carolina sweatshirt (replenished regularly at Johnny T-Shirt), I get a tinge of the pride that comes from being a graduate. Nothing could be finer...

During the past 25 years I have ...

dabbled in a plethora of careers, traveled the world, frequently given back to my community and had lots of fun. My husband went to Florida State; we have a peaceful house most of the time (smile).

Now, I'm running my boutique public relations firm and raising three kids. HBO is a client, so working on THE BATTLE FOR TOBACCO ROAD makes the list of my most satisfying campaigns. Personally, I spend my days making sure my kids understand that if they expect me to pay for college, they better choose UNC (smile)!

Renee Thompson Hunter

Major: Chemistry

Hometown while at Carolina: Goldsboro, NC

Current Residence: Bowie, MD

Spouse or Partner: Veto Hunter

My favorite Carolina memory ...

My favorite memories are of camping out for basketball tickets at Carmichael Auditorium with several friends AND hanging out with the great friends I made at Carolina!

During the past 25 years I have ...

...conducted medical research and clinical trials for vaccines for 3rd world countries (Johns Hopkins University School of Medicine), worked to make our national's blood supply safe (American Red Cross National Headquarters), and assisted government and private industry clients in building their global organization strategy and solve pressing corporate problems (management consultant at Booz Allen and IBM). I have a passion for travel and learning about other cultures. My goal is to visit all of the continents -- visiting continent #6, Australia, this fall and planning for Antarctica in 2015.

My favorite Carolina memory ...

The BSM (Now UNC) Gospel Choir was one of the most favorite memories of my time at Carolina. The choir helped me to transition from high school to college and many members are still my friends today.

My Carolina Story ...

Carolina was the only school I wanted to attend and thus the only place I applied. While I was a little nervous about going to such a large university, I was able to work past those feelings to develop relationships with a great group of people who are my friends to this day. I also met my husband at Carolina, and although that wasn't my plan coming to Carolina; it's how God worked things out and we're still together today!

During the past 25 years I have ...

gotten married, had two children and two different careers. When I left Carolina I started a career in banking that matched up to the degree I received. Still deep within I had the desire to become an attorney but life happened. After working in banking for 18 years, the Lord opened the door for me to attend law school and realize my dream of becoming an attorney. I am now a solo practitioner in Durham with a practice that concentrates mostly on Family Law but also has a niche for faith based mediations. I still have contacts with the Carolina community as I am also a youth minister at our church in Chapel Hill and frequent campus from time to time reaching out to the students.

My favorite Carolina memory ...

During our freshman year, my friend Tina and I rode the bus to the area grocery store. At checkout we had so many bags that we decided to take a taxi back to Hinton James. The taxi let us out at the bottom of the hill with our several bags. Well..long story, short-- we had to take turns taking the groceries up to the room.

During the past 25 years I have ...

managed a department store and kept passengers safe on airplanes. I now have the privilege of teaching our future leaders of America. I'm married (21 years), with one son in high school. I thank God every day for a blessed life.

Brian Keith McBroom

Major: Business Administration - Marketing & Operations

Hometown while at Carolina: Burlington, NC

Current Residence: Columbus, IN

My favorite Carolina memory ...

Camping out to get tickets for the first game in the Dean Smith Center (Dean Dome) versus Duke.

My Carolina Story ...

I always wanted to attend UNC. I was a huge Michael Jordan fan. Project Uplift was a wonderful experience and solidified my impression of UNC. Therefore, UNC was the only school to which I applied. Luckily, my prayers were answered and I had the best Christmas in December 1983. While at UNC, I majored in Business Administration and served as a Minority Advisor under Dean Renwick. He was such a wonderful role model. Upon graduation, I stepped out of the university setting to conquer the world.

During the past 25 years I have ...

After 2 years as a Claims Adjuster at Allstate, I decided to attend graduate school. I obtained my MBA at Clark Atlanta University and interned at Coca Cola. Upon graduation, I worked for Chrysler LLC for twelve (12) years in a variety of financial management roles including: International, Manufacturing, & Corporate Finance. Afterwards, I worked for Cummins Inc. where I served as Director - Corporate Staffs Finance & Director - Enterprise Risk Management & Operations Excellence. My community activities include the following: serving on the Board of Directors (Treasurer - Executive Committee & Chairman - ALCO Committee) for Centra Credit Union (3rd largest credit union in Indiana) and Treasurer for the Columbus Parks Foundation Board of Directors.

Graduation

My Carolina Story ...

Having skipped the 11th grade and then spending part of my high school senior year as a Presidential Scholar, in Washington, D.C., I applied to Carolina late. I was accepted immediately and waitlisted. Meanwhile, VA schools were offering more scholarships. My counselor had advised that UNC was the “best school on the east coast” for my major however, so I waited. It’s been interesting ever since.

During the past 25 years I have ...

I became a TV news reporter, anchor and talk show host, left that career to act on network primetime TV and movies and became an avid investor and entrepreneur, running a public relations, marketing and media production firm. I married, had a daughter and became a world traveler dedicated to health, fitness, mindfulness and growth.

My favorite Carolina memory ...

Walking with friends to get ice-cream in 12 inches of snow and also working with the local Girl Scouts Troop my Jr/Sr years.

During the past 25 years I have ...

lived in Georgia and worked at Saint Joseph's Hospital. I have been very fortunate to meet great people since I moved to Georgia on my own. The running community in Atlanta increased my love of the sport. I have completed 3 marathons and about 6 half-marathons. I am active in my church, my community and the PTA. Currently, I spend lots of time helping out the high school band as a Band Mom.

My favorite Carolina memory ...

My favorite memories revolve around my participation in the Marching Tar Heel Band ("THE PRIDE OF THE ACC") and the traveling squad for the Carolina Pep Band with Men's Basketball.

My Carolina Story ...

As a first generation college student, I was encouraged by my high school counselor to apply and enroll at Carolina. My freshman year roommate Hiram, my minority adviser Grandison and my participation in the Band really allowed me to become connected to Carolina.

It is my belief that my intellectual curiosity and drive were further developed during the liberal arts experience at Carolina.

During the past 25 years I have ...

UNC-CH -MS Program in Rehabilitation Counseling and NCSU- Ph.D School Counseling & Supervision

School Counselor, Dept. Chair & Dean-Durham Public Schools & Wake County Public Schools

North Carolina School Counselor of the Year Award and the National Director of the Year Award

Director of Student Support Services for the Alamance Burlington School System

Currently, Senior Director of Counseling and Student Services for Wake County Public Schools

President of the NCSCA & Southern Region VP- American School Counselor Association

My favorite Carolina memory ...

During the Fall when the leaves began to turn colors, temperature began to drop and football season was in full effect. Spending Monday-Thursday hooping in Wollen Gym from 3:30pm-5pm.

My Carolina Story ...

Those 4.5 years at UNC were some of the best times of my life. I met people from all over the world and made some great friends that I still stay in contact with. No matter where you are in this world, mention you attended UNC-Ch and the conversation is on.

During the past 25 years I have ...

During the past 25 years I have, in a nutshell, lived the American Dream. Married, raised a family and now looking forward to retirement in a few years. The low point in my life was when I lost my 23 year old daughter in 2011 as God seemed to need her more than I did here on earth. My current passion is preparing my 13 year old daughter, a high school freshman, to follow in her fathers footsteps and attend the University of North Carolina at Chapel Hill.

My favorite Carolina memory ...

My favorite Carolina memory is sitting in the pit on warm days and walking to the Old Well.

My Carolina Story ...

While a student at Carolina I watched my first KKK march down Franklin Street. That led to my involvement in efforts to improve race relations - both through professional and personal efforts. I had many friends while at Carolina, and while I have lost touch with many of them, their impact on me remains strong. I enjoyed my years at Carolina.

During the past 25 years I have ...

My work experience is very diverse. For six years I was fortunate to work as a community organizer with a statewide non-profit organization dedicated to improving race relations. THEN I moved to work for an equal number of years with Governor Jim Hunt. Then I moved to the Washington, DC area to first work with the American Legacy Foundation, and now with the federal government. I have two kids, a boy and a girl, who are soccer and football players. My husband and I enjoy very much our busy weekends with the kids and their activities. In our spare time, we volunteer in our community.

Taught elementary school in Greensboro for 6 years right out of school. I got a Master Degree in Occupational Therapy at UNC. Shortly after that I got married in 1997. I've traveled and worked as an occupational therapist full time for 3 years. I had a daughter in 2001 and became a stay at home mom for 5 years.

My favorite Carolina memory ...

Attending the first UNC-Duke game played in the Dean Dome!

My Carolina Story ...

I started UNC in '83. I lived on N. Campus, got closed out of the dorms every year, had to go through the lottery, never got reassigned to S. Campus! I was a member of the BSM Gospel Choir, worked as a cashier in Great Hall, a waitress at Western Sizzlin on Hillsboro Street and an Omega Sweetheart. During Spring Break my sophomore year, minor sinus surgery turned into major surgery and I ended up undergoing a craniotomy and was out for the remainder of the semester. My graduation year became '88 instead of '87 with the completion of my BSN.

During the past 25 years I have ...

been fortunate to have three wonderful children, two daughters and a son. My oldest, Lauren Houston, is a 2013 UNC grad (BA Journalism/Mass Communications) and is now working for NASCAR in Daytona. My son Matthew Wright is a high school senior, National Achievement Scholarship Semifinalist, and is interested in Graphic Design. My youngest, Iris, is an eighth grader interested in Veterinary Science. (Though painful to say, my younger two will probably be at that School in Red down the road!) My current husband is a lung cancer survivor and that's been quite a challenge, but God has been good! I have had 25 wonderful years in Nursing; twenty-two of which have been with the Department of Veterans Affairs. I am a proud member of Delta Sigma Theta Sorority, Inc.

T H E HAYDEN B. RENWICK I N I T I A T I V E

*A gift to the Renwick Initiative
ensures a thriving, multicultural
student body for years to come.*

When Hayden “Bennie” Renwick became associate dean of the Office of Student Counseling in 1973, few opportunities or resources existed for minority students. Under his direction, the University helped these undergraduates flourish in both academics and leadership.

Today Renwick’s legacy lives on through the students he mentored and the programs he created. To celebrate his life and work, UNC launched the Renwick Initiative, an effort to establish a \$250,000 endowment to support key programs Renwick led: the Minority Advisory Program and the annual Academic Achievement Awards, which both encourage the academic success of minority students and celebrate their accomplishments.

Harold Woodard '71, '81, one of Renwick’s student advisees and current associate dean of the Center for Student Success and Academic Counseling, now works to maintain and enhance the programs he benefited from as an undergraduate. With the Initiative only \$30,000 away from its goal, Dean Woodard is generously matching gifts up to \$10,000 to continue the progress that Renwick accomplished during his Carolina career.

Renwick’s mission to promote academic excellence and retention, particularly among African-American and American Indian undergraduates, is enriched by the programs he developed, and supported by private giving from alumni and friends. A gift to the Renwick Initiative honors his memory and ensures a thriving, multicultural student body for years to come.

To join Dean Woodard in supporting Hayden Renwick’s vision, make a secure gift online at giving.unc.edu/gift/csac, or mail checks (write “Renwick Initiative, 105630” in the memo line) to:
